

## Expansion unit for enhancing welding characteristics

Wire material	Product name	model number	Remarks
Aluminum	Wire feeder	YW-35DG2TAK	For aluminum
	Welding torches	YT-30MD2	For aluminum
		YT-20MD2	For aluminum
Mild steel	Welding torches	YT-18CS4	φ0.8 mm
	Feed roller	MDR00044	φ0.6/0.8 mm (handled as parts)
	SUS tube	MGT00808	φ0.6/0.8 mm (handled as parts)
	Contact chip	TET00630	φ0.6 mm(handled as parts)

The extended arc characteristics are not compatible with the Welding Navigation and Thickness Directive  
Please consult us separately for applicable welding power supply versions.
